

Dear Families,

We are excited to announce along with Chelsea Heights Kindergarten 50th Anniversary we are about to undertake the biggest renovation the kindergarten has seen since it was first opened. The Victorian State Government, partnered with the City of Kingston will be funding the rebuilding of the old Maternal Health Centre, turning it into a functional and much needed second room. This will allow the educators to expand our 3 & 4 Year Old programs from 2019. Our excellent early education services for 2017 will continue as the kindergarten relocates to the old Chelsea Kindergarten site **71 Catherine Ave, Chelsea** in October this year. We are expecting to return in April 2018 to make use of our brand-new facilities.

For parents looking to enrol your child/children for our 4 Year Old program please apply directly to Kingston City Council website www.kingston.vic.gov.au under Family Services.

For our 3 Year Old program please apply directly to the kindergarten and an application form is available on our website www.chelseaheightskinder.vic.edu.au or here at the kinder. Enrolment for both programs opens from 1st May to 30th June the year before your child/children attend.

In 2018 our timetable will be as per below, we thank you for patience and understanding with the forthcoming move and hope to see your child/children in 2018.
