

CHELSEA HEIGHTS

Generations come back to celebrate

CHELSEA HEIGHT'S kindergarten has been around for so long, past kinder kids are now sending their own children there.

The kinder is celebrating its 50th birthday this year and to acknowledge the milestone it will host a party at its open day.

Director Sharon Cummins said the staff and children were excited to reminisce about the past and look to the

future, which will see the kinder undergo major redevelopment.

"I'm most looking forward to getting to meet some people that pre-date us," Ms Cummins said.

On May 6, the doors will open to the broader community to check out the facilities and celebrate the 50th birthday from 10am-2pm.
